## **A Prayer for Network**

Creator of all things,  
bless the work of Network.  
May the ripples of your love  
be felt by each one of us, and the communities around us;  
give us wisdom and strength to face each day;  
as you love us, help us to love ourselves and others just as we are.  
Walk beside us when we feel hopeful or hopeless,  
and give us grace to be with you, with ourselves, and with one another.  
Amen
